JZ Capital Partners Limited (LSE: JZCP.L or "JZCP"), the London listed fund that invests in US and European microcap companies and US real estate, is pleased to announce the sale of Petrocorner, a network of petrol stations throughout Spain, to a Spanish subsidiary of British Petroleum ("BP"). JZCP, which owns Petrocorner through its 18.75% stake in JZI Fund III, L.P., expects to receive cumulative gross proceeds of €12.1 million from the sale (including interim proceeds and escrows). This represents a gross multiple of invested capital ("MOIC") of approximately 2.0x and a gross internal rate of return ("IRR") of approximately 23.0%.

David Zalaznick, JZCP's Founder and Investment Adviser, commented: "Petrocorner was a highly successful result of our buy-and-build strategy in the retail petrol sector. Our management partners did a superb job and we thank them for all their hard work.

For JZCP, the Petrocorner sale represents a further step towards our primary goal to achieve liquidity through realisations and refinancings. We hope to report on additional liquidity events throughout 2019."
